

solicit comment on coal resources information and indications of other interest and needs pursuant to 43 CFR 3420.1-2, for inclusion in the Farmington RMP Amendment. Coal companies, other mineral extraction companies, state and local governments, and the general public are encouraged to submit information to the BLM to assist in the review of the draft determination of coal development potential and possible conflicts with other resources. If this information is determined to indicate development potential, further consideration for leasing will be given.

DATES: April 8, 1998.

ADDRESSES: Comments to be included with the draft document should be sent to: Bureau of Land Management, 1235 La Plata Highway, Suite A, Farmington, New Mexico 87401. Proprietary data should be identified as such to ensure confidentiality.

FOR FURTHER INFORMATION CONTACT: Robert Moore, Farmington District, 505-599-6311.

SUPPLEMENTARY INFORMATION: The draft Farmington RMP amendment will include the federal coal lease application located in T. 30 N., R. 14 W., in San Juan County, about six miles west of Farmington, New Mexico. The property proposed to be leased contains approximately 4,480 acres and is described as follows:

T. 30 N. R. 14 W., N.M.P.M.

Sec. 17: All

Sec. 18: All

Sec. 19: All

Sec. 20: All

Sec. 29: All

Sec. 30: All

Sec. 31: N $\frac{1}{2}$, N $\frac{1}{2}$ S $\frac{1}{2}$, Lots 1 through 4.

The issue addressed by this draft RMP amendment effort is coal leasing and the development within the coal lease. Industry and other interested parties are asked to provide any information that will be useful in meeting the requirements of the Federal Coal Management Program as defined in 43 CFR Part 3420, including a review of the applicable coal planning screens. Information resulting from comments submitted to the BLM will be utilized in the draft finalization and implementation and to determine the potential for coal development and conflicts with other resources within the 4,480-acre tract and any other tracts that may be determined to have additional interest.

Lands already considered in the Farmington RMP, adopted in July 1988, need not be addressed.

The issue of federal coal leasing and development include:

1. Determining areas acceptable for further coal leasing consideration with standard stipulations.

2. Determining areas acceptable for consideration with special stipulations.

3. Determining areas unacceptable for further coal leasing consideration.

The BLM will apply the coal developmental potential, applicable unsuitability criteria, multiple use conflict and consultation screens in order to make these determinations.

The type of information needed includes, but is not limited to, the following:

1. Location.

a. Federal coal tracts desired by mining companies should include a narrative description with areas delineated on a map with a scale of not less than $\frac{1}{2}$ -inch to the mile.

b. Descriptions of both public and private industry coal users in the general region.

2. Quantity needs (tonnage, dates) for both public and private industry coal users and coal developers.

3. Quality needs (by type and grade) for end users of the coal.

4. Coal reserve drilling data which may pertain to the planning area.

5. Information relating to surface and mineral ownership:

a. Surface owner consent previously granted, whether consent is transferrable, surface owner leases with coal companies.

b. Non-federal or fee coal ownership adjacent to federal tracts currently leased or mined.

6. Other resource values occurring within the planning area which may conflict with coal development:

a. Describe the resource value and locate it on a map with a scale of not less than $\frac{1}{2}$ -inch to the mile.

b. State the reasons the particular resource would conflict with coal development. Any individual, business entity or public body may participate in this process by providing coal or other resource information under this call. This planning issue is presented for public comment and is subject to change based upon such public comment. Comments should be received by Close of Business, May 19, 1998. Public involvement is welcome throughout the amendment process. A formal public hearing/public meeting will be held on May 6, 1998 at 7:00 p.m. at the BLM office at 1235 La Plata Highway, Farmington, New Mexico to provide the public an opportunity to participate in this Draft Amendment effort.

Complete records of all phases of the planning process will be available for review and comment at the Bureau of

Land Management, Farmington Office, 1235 La Plata Highway, Farmington, New Mexico.

The final RMP amendment documents will be available upon request.

John A. Phillips,

Acting Manager.
